MEMORANDUM FOR: Personnel Officer, DPD-DD/P

SUBJECT : Extension of Tour [REDACTED]

25X1A

25X1A

1. This office ~~consistently~~ recommends approval of the request for an extension of [REDACTED] tour at the Project Supply Depot. The amount of time and money involved in obtaining a replacement would alone justify his retention. In addition to performing normal personnel and administrative functions for this activity, he is required, where necessary, to make numerous official trips and telephone contacts with several contractor facilities in accomplishment of the Depot mission. This requires an individual who is extremely familiar with the Los Angeles metropolitan area and in addition possesses the ability and temperament to cope with all situations which do or may arise in this environment.

2. The Air Force support base upon which [REDACTED] organization is located affords an excellent source for current information relevant to his career field. No problem should exist in keeping up to date on any changes which he does not normally encounter in day to day activities.
